Harriet Stacey

Year of Call: 2021

Practice Overview

Harriet's practice focuses primarily on financial remedy and property work. She is regularly instructed across the full breadth of matrimonial finance applications as well as in relation to applications under the Children Act 1989, Schedule 1, and in TLATA 1996 claims.

Harriet has a particular interest in cases where beneficial ownership or liquidity of jointly owned assets are in issue such as those involving trusts, family-owned businesses and farming/'quasi' farming cases where the family home is comprised within larger mixed domestic/commercial land. She is often instructed on behalf of Interveners both at an early stage providing advice as to whether, and if so when, to intervene as well as throughout proceedings. Harriet's experience with TLATA claims also places her in an ideal position to advise and act in relation to the costs risks following interim applications, such as those under s.37 MCA 1989 or for MPS/LSPO.

Harriet prides herself on producing written work of the highest quality, being ever conscious that the documentation is the first impression the court will form of clients. She is frequently instructed to advise in writing prior to issuing proceedings as well as to draft particulars in TLATA claims and points of claim/defence in financial remedy applications.

Harriet particularly enjoys working on matters from an early stage to help set clear and realistic expectations for clients and maximise opportunities for early resolution. Harriet has worked as consultant in-house counsel for a leading law firm in Leeds and is a strong advocate for the benefits for clients of solicitors and the Bar working closely together throughout.

Prior to joining the Bar Harriet worked as a College Supervisor at the University of Cambridge teaching both Equity and Land Law. Harriet was also privileged to act as Judicial Assistant to Mr Justice Cohen and Mrs Justice Knowles, gaining a breadth of experience in complex and high net worth financial remedies work including pre and post-nuptial agreements, MFPA 1984 Pt III applications, the non-disclosure of assets and applications for permission to appeal.

Harriet is President of the Harrogate and North Yorkshire Junior Lawyers Division.
