

1GC | Family Law

Nicholas Daniels

Year of Call: 1988

Practice Overview

Nicholas practices exclusively in private family law and related work. He has considerable experience in matrimonial finance work acting for both spouses and third party interests, and private children law, including Schedule 1 claims. He regularly deals with factually complex high conflict cases in which there are allegations of financial or parental misconduct. Nicholas accepts instructions from Direct Access client's in suitable cases.
